

Alto Adige Pinot Grigio 2018

Tasting notes

Deep golden straw yellow.

The bouquet of our Pinot Grigio develops from initial fresh, fruity aromas of pear to elegant hints of tobacco, vanilla and frankincense spices. On the palate the wine presents itself full-bodied, round with a pleasant sappiness and a long finish.

The vineyards grow in Caldaro - Pianizza di Sotto at 440 m above sea level on a calcareous, gravelly alluvial soil.

Food pairing

This wine pairs perfectly with light starters, fish dishes and mildly seasoned white meat as well as grilled vegetables.
